

Phenom for Samsung Galaxy S6

SA-619

The Ultimate Drop Protection

Description

The Phenom™ Case is the ultimate in drop protection, and is engineered with three layers of armor to provide your device with superior, durable protection against extensive shock, wear and tear. With a no-slip, comfortable grip, soft-touch finish, this lightweight case is strong enough to shield your device from impact . Comprised of a rigid Plextonium™ polycarbonate back frame, a shock absorbent Flex2O™ polymer bumper, and Incipio's revolutionary dLAST™ technology for interior cushioning, the Phenom™ Case receives Incipio's Impact IQ™ standard of excellence for next-level shock absorption.
